

Federal Aviation Administration National Simulator Program

SQMS FINAL APPROVAL

This Sponsor's Simulation Quality Management System has been fully assessed and found to meet the requirements of 14 CFR Part 60.

SPONSOR	
EXPIRATION DATE	

To maintain SQMS approval, the Sponsor must continue to meet all requirements of 14 CFR Part 60 section 60.5 and Appendix E. Failure to maintain SQMS approval will result in disallowed use of or offering the use of an FSTD for flight crewmember training and evaluation or for obtaining flight experience to meet any requirement of 14 CFR Chapter I.
